GREY**

TEAK

GREY

BROWN

Our 156mm x 5m wall cladding is an easy way to get a real wood effect without the effort and upkeep, the embossed woodgrain effect gives a natural wood appearance with low maintenance.

Embossed angles, embossed cladding starter clips and screws also available.

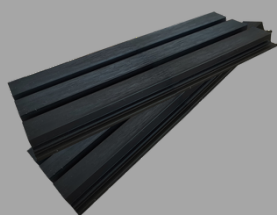

Cladding

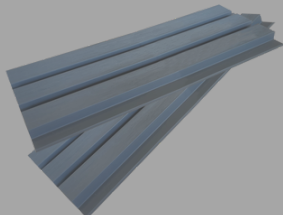

SLAT WALL CLADDING

Our 169mm x 5m slatted wall cladding panels are an innovative solution for sophisticated and modern projects. They are low maintenance and easy to install thanks to a simple tongue in groove method.

The 3 slat panels can be installed horizontally and vertically.
